Alma Mater

*In the shadow of the mountains
Under skies so blue,
Stands our dear old Alma Mater,
Glorious to view.*

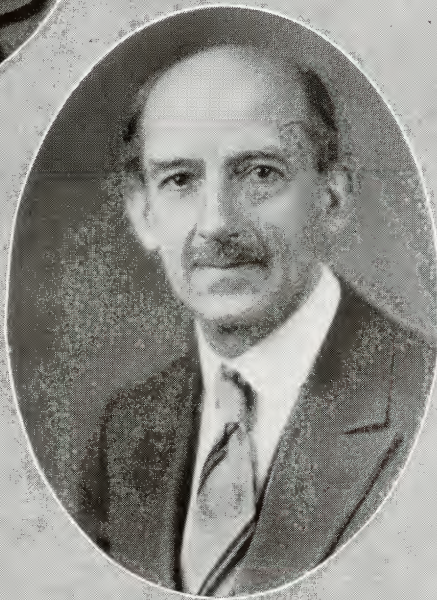

*Sound the chorus, speed it onward,
Thee we'll never fail,
Hail to thee our Alma Mater,
Hail to thee, All Hail.*

*In thy halls we form our friendships,
Dear old college home,
And to thee we pledge our hearts,
Wherever we may roam.*

*Sound the chorus, speed it onward,
Thee we'll never fail,
Hail to thee, our Alma Mater,
Hail to thee, All Hail.*

Commencement

Not to finish, but just to begin
 The steady climb of the soul—
 The race to reach the heights of worth
 Ere darkness obscures the goal;
 Not to boastfully contemplate
 Victorious fields of the past,
 Nor leisurely glide in memory
 Through pleasures that will not last;
 Not to linger in idle lanes
 Where peaceful scenes would allure,
 Where quiet repose absorbs all care,
 And life is eternally pure;

Rather to enter active fields
 Where human strength must serve
 To blaze new trails, and to widen the old,
 Though it try both sinew and nerve;
 Whatever the cost, to forge ahead,
 Forgetting self in the strife,
 Considering no task small or mean
 That gladdens a human life;
 Pledged to honor, friendship, and truth,
 Believing service divine:
 Entering life this goal to pursue
 Is the Class of '29.

Our Chum

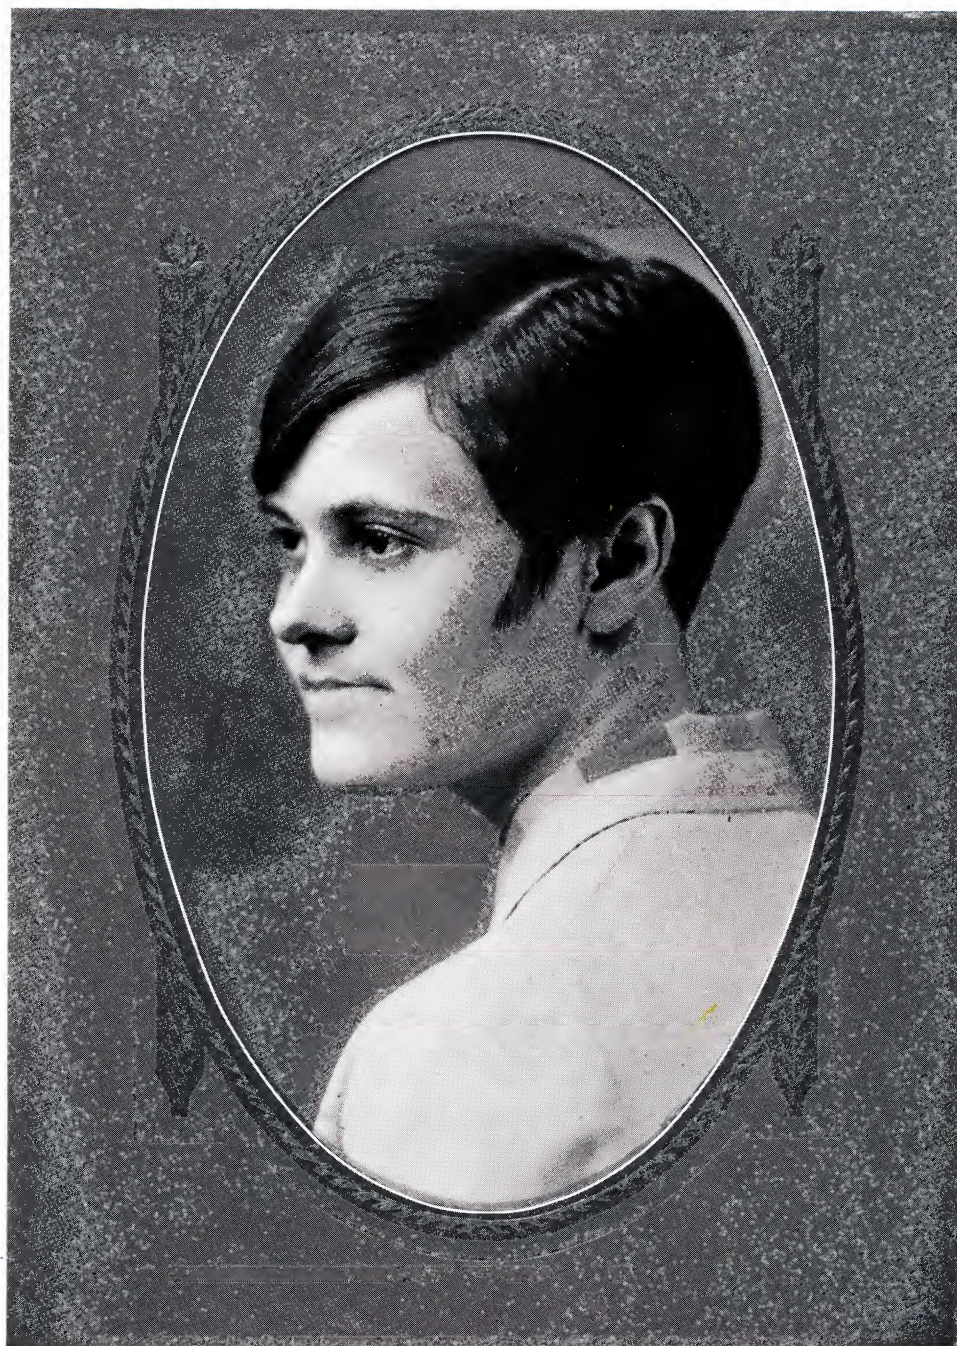

You know, there's lots of comfort
In the friendship of your chum
In the knowing that he'll stand by you
When life's misfortunes come.
And it makes you feel so happy.
That you want to sing and hum
When you get right down to thinking
Of that friendship of your chum.

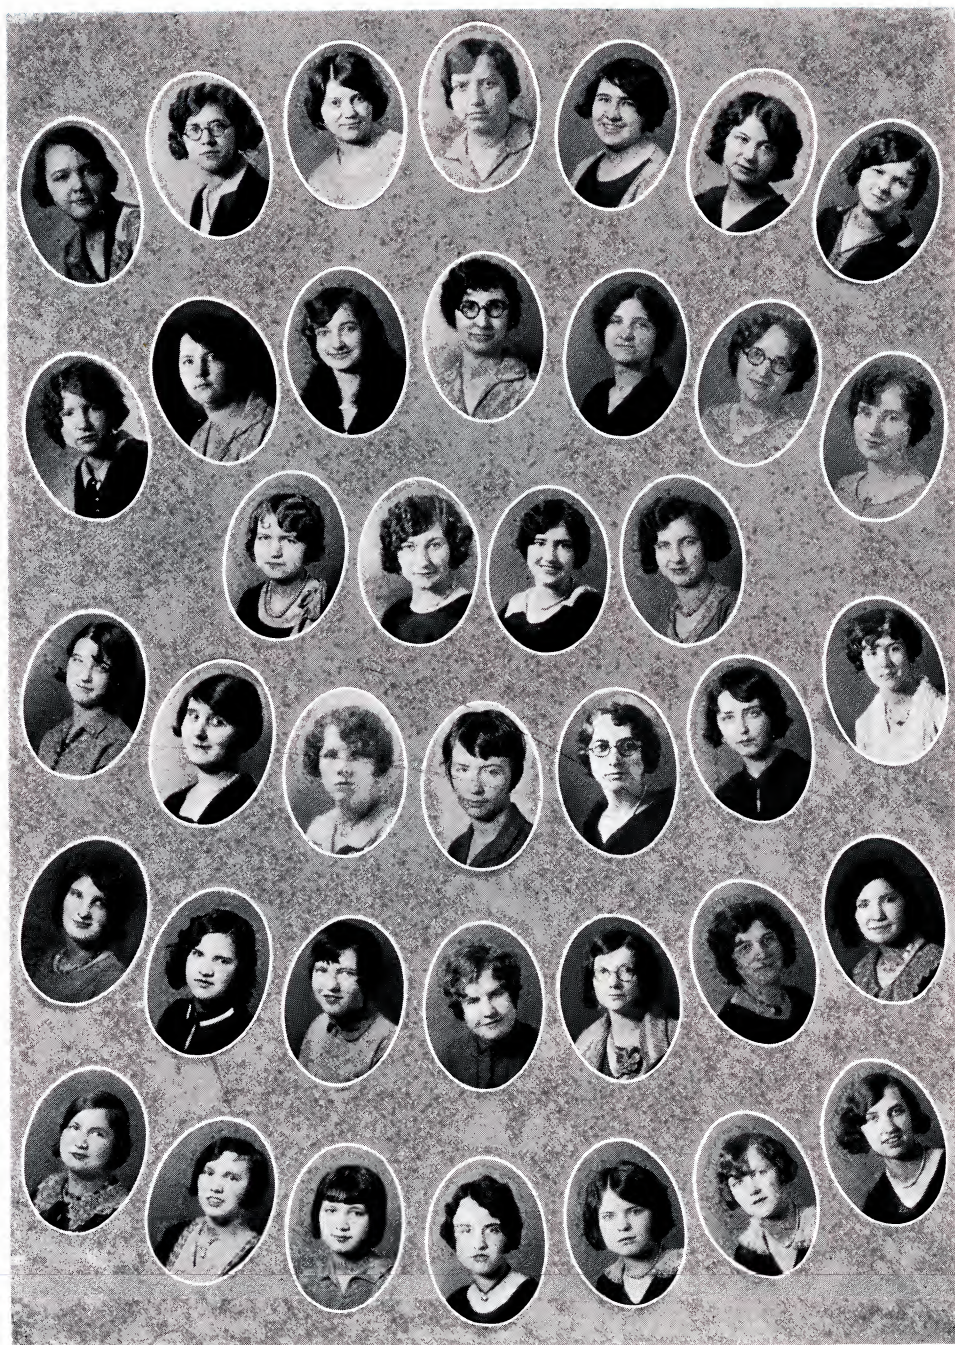

You'll never find your friend too tired
To lend a helping hand,
When everything's against you
And the world can't understand
Then, somehow the skies grow brighter,
And your heart grows lighter too,
And you bless the day that gave to you
This friendship, staunch and true.

Then when fortune smiles upon you,
And favors you with fame,
And the whole wide world is ringing
With the praises of your name,
You're just a wee bit disappointed—
You feel strangely tired and blue,
Till your old chum wrings your hand and says
"Old Pal, I'm proud of you."

Then there's nothing else that's lacking
To make your joy complete;
'Cause your Chum has firmly stood by you
Through victory and defeat.
Oh! it makes you feel so happy
That you want to sing and hum,
When you get right down to thinking
Of that friendship with your Chum.

The Sapphonians have made marked progress during the year 1928-29. A large number have been initiated into our society each quarter and have proved to be worthy members.

The fall quarter was started off in a lively way with a get-acquainted party given in the society hall. This spirit has been carried with the society throughout the year.

We have received during the year intellectual and social training as well as much enjoyment from the well planned educational and recreational programs presented.

The Pestalozzian Literary Society has no motto; nevertheless, a goal is always ahead. During previous years the society has had more regular meetings than during this year. However, no happier hours, no more educational programs have been rendered than those of this year. It has been the will of the society to have a general good time once during each quarter, and this desire has been fulfilled twice this year. Once the men invited the ladies over and entertained them in the men's dormitory; then nearer the end of the year an outing for the men alone, was planned.

During this year it was deemed advisable to make it a little harder to become a Pestalozzian. Our pass word has been "Once a Pestalozzian, always a Pestalozzian." It was believed that this pass word, plus the appreciation of being a Pestalozzian, would be more vividly fixed if a very stringent form of initiation were used. A standard was set up and made permanent. Let us hope that the new members appreciated the initiation even more than we.

Our aims are unity, action, happiness, good cheer, intellectual uplift, and a broad literary education.

HELEN HODGES ----- *President*
 NELLE ROBINETTE ----- *Vice President*
 LORETTA MORTON ----- *Secretary and Treasurer*

This past year has been the most successful in the history of the Glee Club each member taking an active part and showing a vital interest in the various activities carried on by the Club.

A unique idea that the club carried out was the singing of Christmas Carols at H. P. King's on the mezzanine floor to send abroad the Christmas spirit. The Glee Club has presented several programs in Assembly also helping the pupils of the Training School in their Christmas Pageant.

The climax of the year was reached when the club presented the operetta, "The Ghosts of Hilo", with the assistance of the orchestra.

The Club owes its success to the earnest efforts of its director, Miss Thompson.

Debaters

This year has been the most successful year in the history of debating in this college. There were more participating than ever before; more decisions were rendered in favor of Teachers College than in former years; more interest on the part of the students and faculty.

Every student was eligible to participate in the preliminary tryout for the selection of the teams. Mr. R. B. Cox, coach of debating, selected the teams and had charge of them. Triangular and dual debates were held with the following colleges: Lincoln Memorial University, Carson-Newman, Maryville College, Tusculum, King, and Waynesboro, Pa.

Realizing that "our interest in science is a vital interest" the Smoky Mountain Science Club has endeavored to stimulate a spontaneous interest in the several sciences. Through its activities the club has endeavored to be a help and inspiration to the students of science in their work, to encourage them in investigation and research as well as to give practical knowledge. Talks, demonstrations, motion pictures, and field trips were an efficient aid in carrying out the work of the club. Two outstanding speakers during the year were Dr. Roesell of Bemberg and Dr. Collins of E. T. S. T. C.

The club selected as a special project during the spring quarter the Conservation of Wild Flowers on the Campus at E. T. S. T. C. At present the beauty and abundance of the wild flowers on our campus is a thing remarked on by all who visit the college. Realizing that this is a part of a most valuable natural heritage the club has tried to impress on the students in college the necessity of saving the flowers in order that this heritage will not be so greatly depleted. In connection with this project the club became interested in the National Flower Poll and every member enthusiastically cast a vote for the national floral emblem.

We wish to express our appreciation to the advisors for their co-operation throughout the year. They have been an inspiration and guidance to us in our work.

The Home Economics Club

For the first time in the history of the college the girls of the Home Economics Department formed themselves into a Home Economics Club with Mrs. Ada Hornsby Earnest as sponsor. The club organized October 5, 1928, adopting a constitution and electing the following officers:

Y. W. C. A.

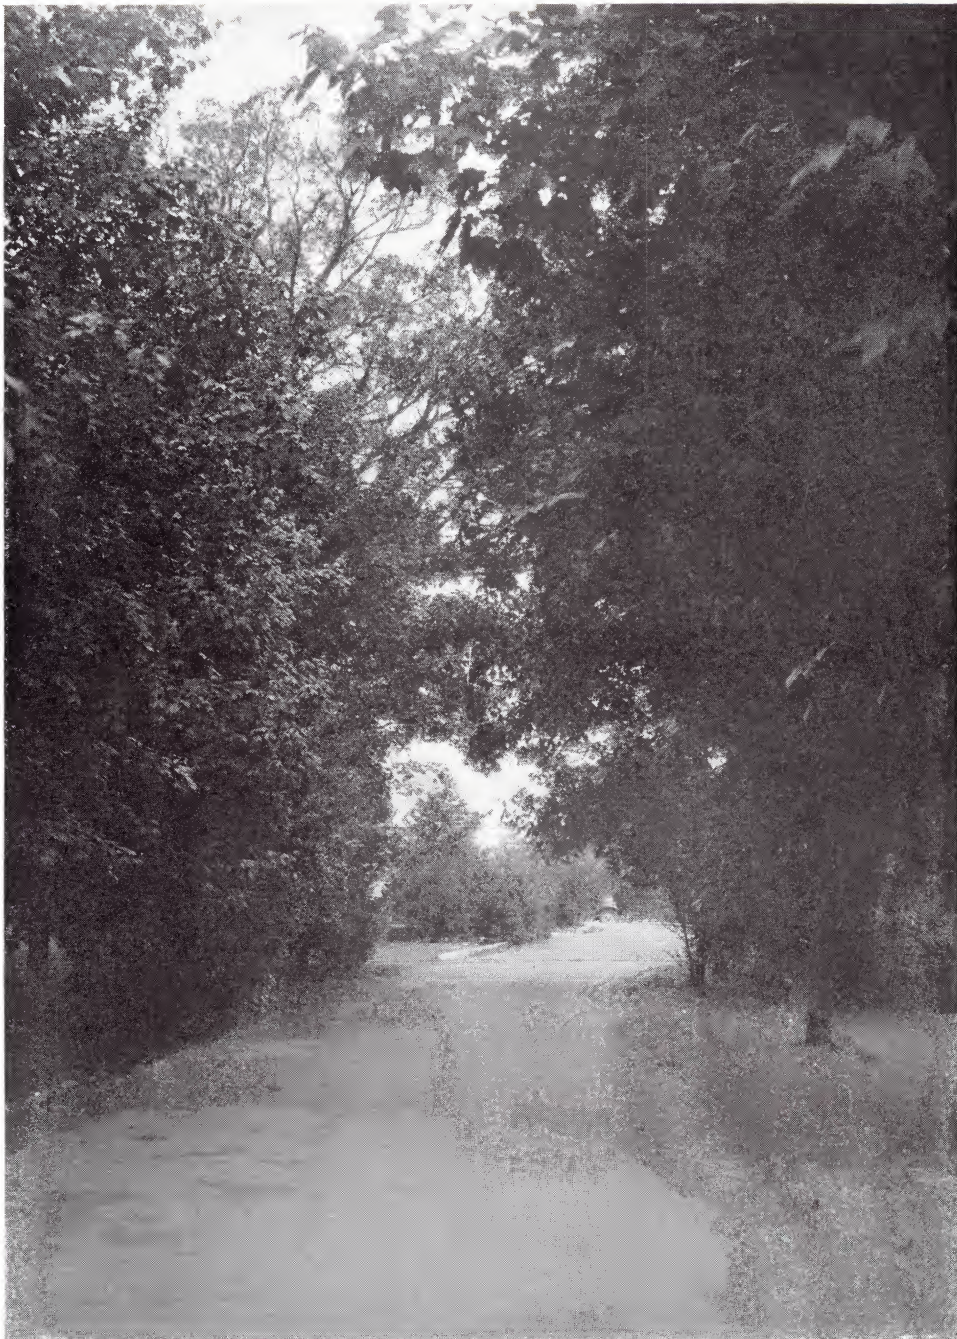

At the opening of the fall term the Y. W. C. A. greeted the girls with a cordial welcome. After the first meetings with an enrollment 100 percent of the girls in the dormitory, the Y. W. held an open house reception in order that students and faculty might become acquainted.

Every Wednesday evening the regular meetings are held; every Sunday afternoon at five vespers are conducted. The greater part of the programs have been given by the girls themselves; however we have had excellent speakers on various occasions—our advisors, Miss Yoakley, Dr. Sherrod, Dean Burleson, Mr. Mathes, and Mr. Carson have addressed us. Miss Gamble has sung for us.

The simple yet effective Easter sunrise service was held in front of the administration building.

The Y. W. has attempted to carry out its motto, "Service." This year it has set aside a student loan fund of one hundred dollars, with plans to add more each year. In the dormitory the Y. W. is establishing a home-like atmosphere. This year a suite of furniture for the reading room and an electric radio have been installed. On the campus the Y. W. again is doing its bit in beautifying our triangular plot at the south entrance of the administration building.

Our Young Woman's Christian Association stands for the development of Christian character, the promotion of friendliness among all students in the college, and the training for service through the various activities of the association, that it may keep aglow the light of Christianity on the college campus.

Athletics

Football

On September 10, two weeks before the opening of the regular fall session of school, Coach Robinson blew his whistle, issued a call for football men and started the 1928 season rolling. Twenty-eight seasoned and experienced men answered the call and for the first time in the history of the institution the prospects for a winning team looked encouraging. Of this number ten were letter men from the 1927 squad and many others were High School stars anxious to earn for themselves a name on the Gridiron.

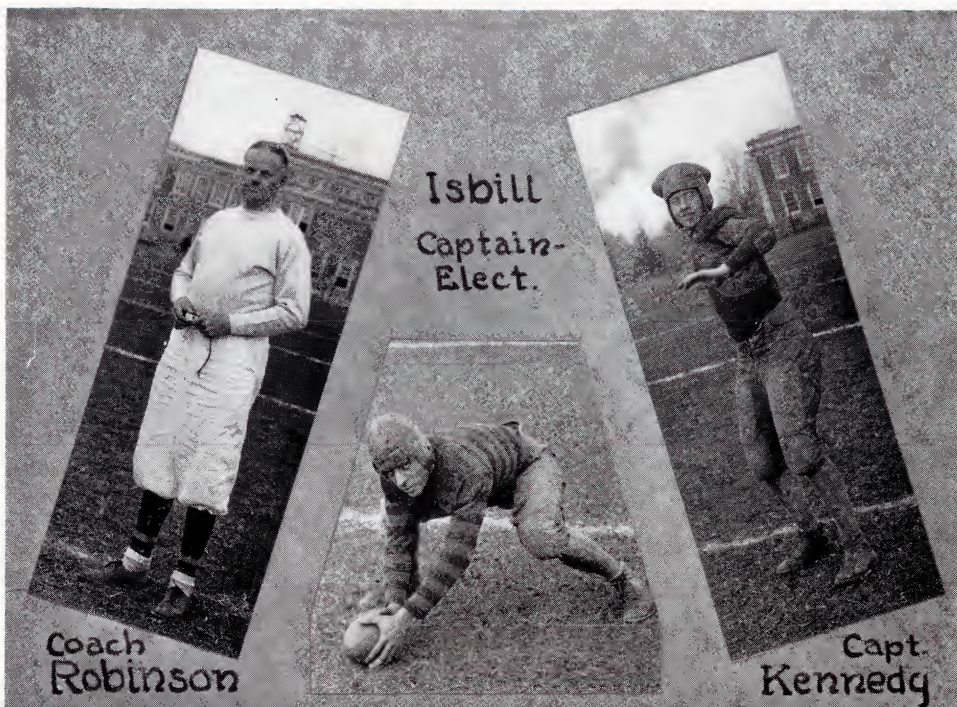

The season started on October 6, with Emory and Henry as the first opponent. They won the game but "Robbie's" boys showed that they knew what football was and knew how to play it. Next came the Appalachian Training School of Boone, N. C. They put up a good fight but they were no match for the fighting Teachers who were out to win a name for themselves in the football world. Hiawassee College was the next victim of the Teachers. They took this game and dedicated it to Alex Kennedy, one of their mates who was in the hospital at this time. Following this victory the boys journeyed over to Mars Hill, N. C., and gave them one of the worst beatings they have had in years. The next two games were lost to Union College, of Kentucky, and Weaver College, of North Carolina, but in both cases the score was small and the game well played. The last game of the season was played in Bluefield, W. Va., where the Teachers put on their best exhibit of football by defeating Bluefield College in the Annual Thanksgiving game. In this game Jack Painter carved his name in the hall of fame by running 103 yards for a touch down.

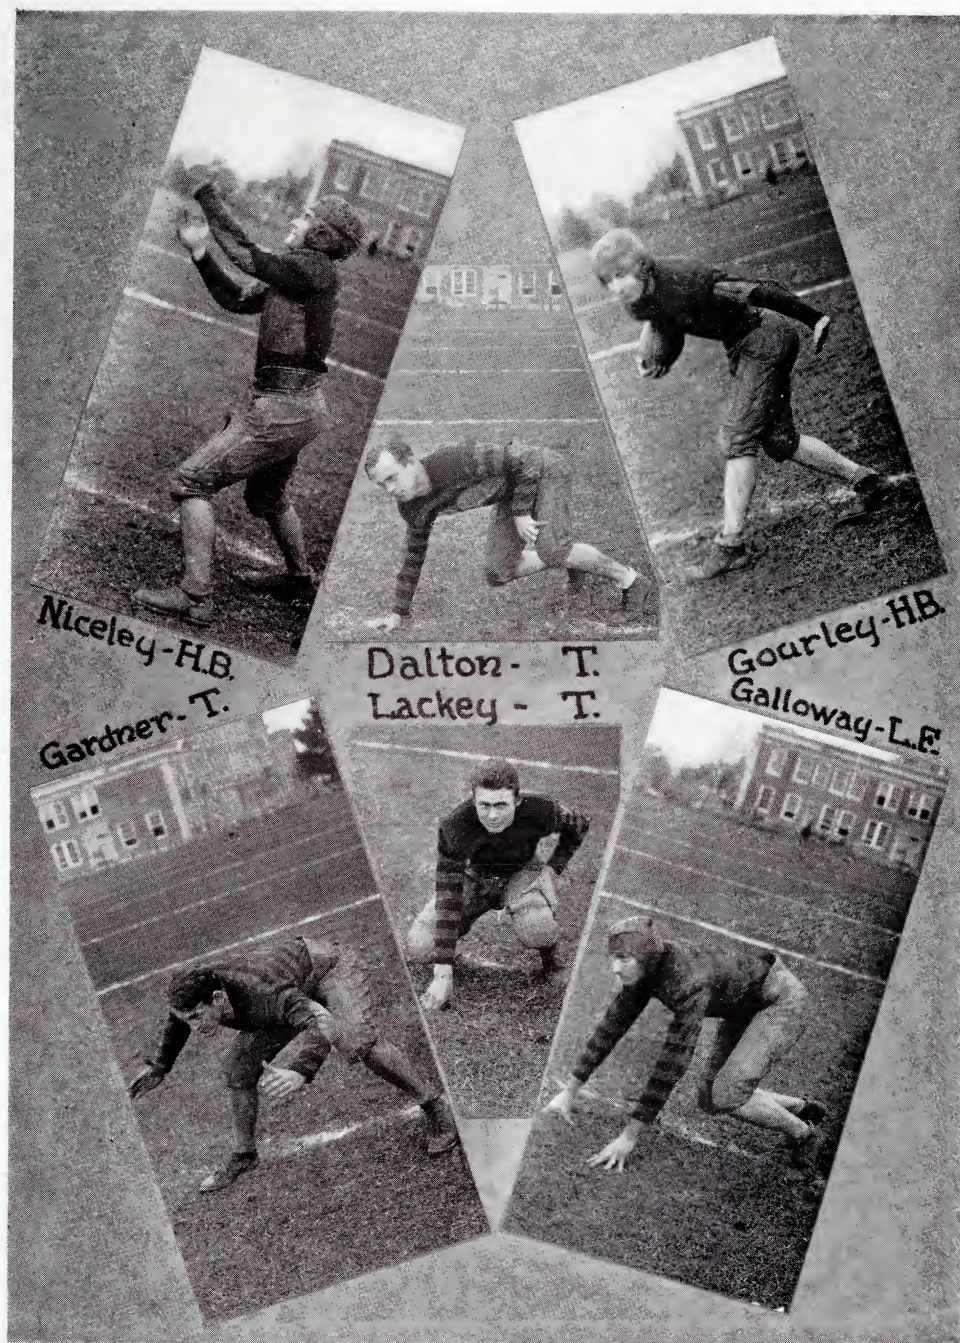

An elaborate banquet was held for the boys in the H. P. King dining room, and letters were awarded to the following men:

| | |
|-------------------------------|------------------|
| Edwin Kennedy, <i>Captain</i> | McNeal Dew |
| Edward J. "Jack" Painter | Claude White |
| Paul Gourley | Jess Humphreys |

| H. B. "Bud" McCall, Jr. | DeVault Galloway |
| Gerore Williams | Rue Dalton |
| Clarence Bralley | Carl Lackey |
| Arthur Isbill | Jim Mooney |
| George Gardner | |

Mr. Arthur Isbill was elected Captain for the ensuing year. The following men compose the squad:

Basketball

Basketball practice did not begin until after the Christmas holidays. Perhaps this was a handicap to the Teachers in the first few games.

Due to the fact that only two letter men of last season's line-up were absent, and the addition of several new men, a successful season was predicted by everyone. Although a majority of the games were not won the Teachers boasted one of the best teams the school ever placed on a court.

The Teachers won from the following teams: Erwin Y. M. C. A., two games; Tusculum College and Carson & Newman, two games. The Teachers were defeated by: King College, Appalachian Teachers, Mars Hill, Emory & Henry and Tusculum.

More men were awarded letters in the 1929 season than ever before; they are as follows:

Baseball

Prospects for a winning team were good at the opening of the season, but due to several injuries the team has been weakened to a great extent.

The following men of last year's club reported for practice at the opening of the season: Gourley, Captain Acuff, Painter, Nicely, E. Kennedy, Davis, D. Dyer, and Thompson. Men coming out for the first time were H. Dyer, A. Kennedy, Connatser, Smith, Isbill, McCall, and Treadway.

The several injuries that were suffered by the team made it necessary for Coach "Robbie" to make changes from time to time in the line-up. Due to this fact it is impossible to state the positions played by each player. All of the above mentioned men have taken part in all or part of the games played up to date.

Complete results for the season can not be given on account of the annual going to press before the close of the season.

Songs

-----Bum!
 What you gonna do since the Teachers come
 What you gonna say, how you gonna play
 Never win a game 'til the Judgment Day.
 Oh, you know, I know we play ball!
 Something you can't do at all.
 Oh!-----Bum!
 What you gonna do when the Teachers come?

* * *

Ain't they sweet, ha ha, neat ha ha, handsome and fair?
 They are Jim dandies, we girls all declare.
 Then it's high road rollicking well,
 Look at our team—say, don't they look swell?

* * *

Hi-yi-ye-yik-us!
 Nobody like us.
 We are the gang from E. T. C.
 Always a winning
 Always a grinning
 Always a feeling fine.
 Hi-Yi!

* * *

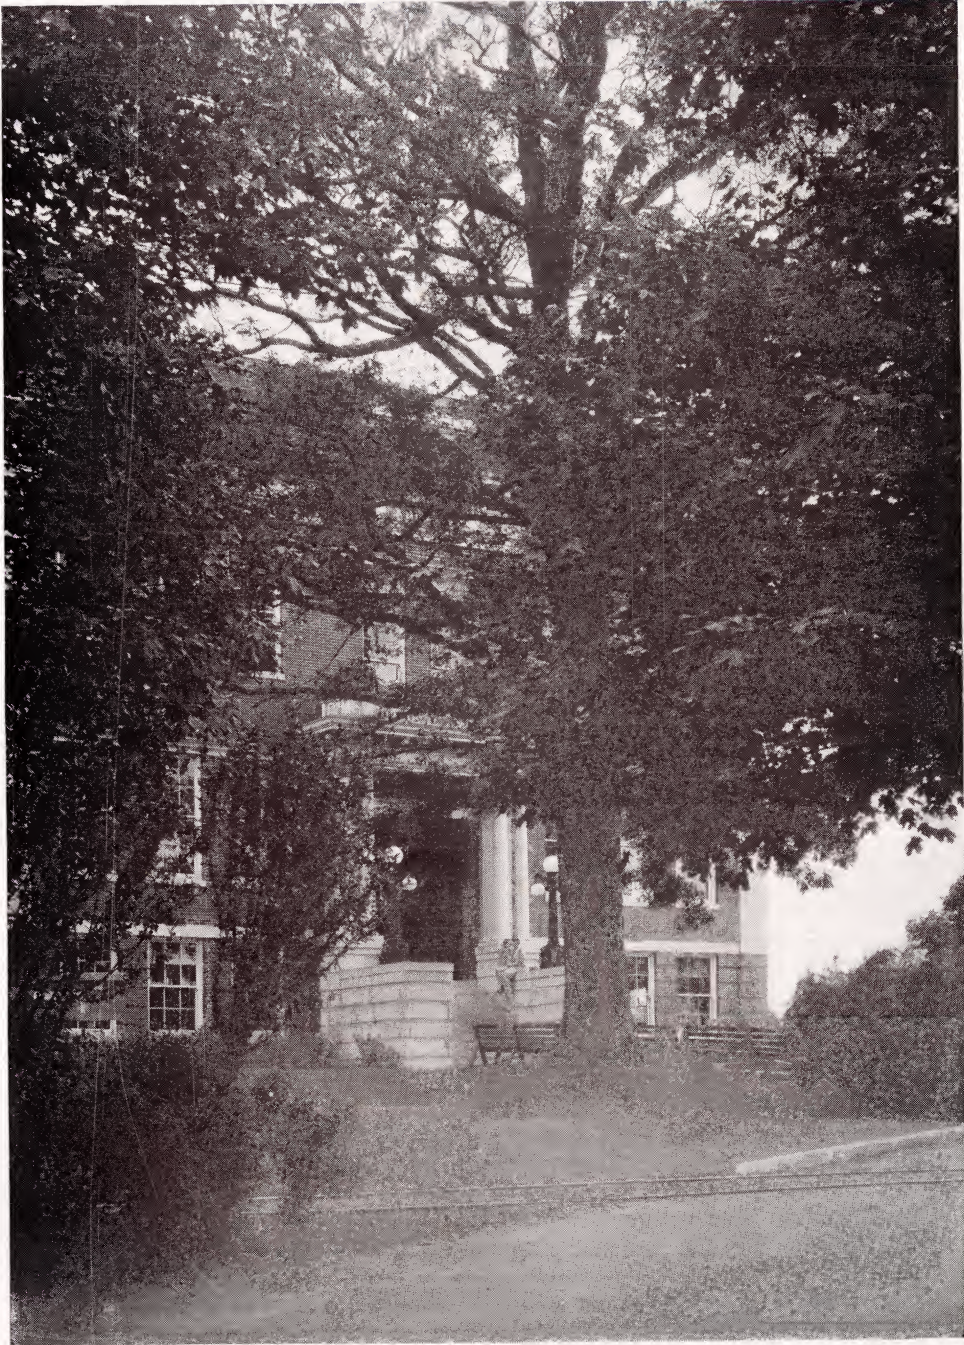

We're backing our team E. T. C.
 We're blue, and we're gold, E. T. C.
 We'll back you to stand 'gainst the best in the land,
 For we know you have sand E. T. C. rah' rah!
 So crack out that ball E. T. C.
 We're backing you all E. T. C.
 Our team is our fame, protector on boys for we expect a touchdown from you E. T. C.

* * *

On E. T. C. on E. T. C.
 Plunge right through that line
 Run the ball clear round old-----
 Touchdown sure this time.
 On E. T. C. On E. T. C.

* * *

Fight team for your fame
 Fight, fellows, fight and we will win this game.
